SAMIKCHHA SINGH

Architecture Student

About Me

My name is Samikchha Singh. I am a 5th year Architecture Student in SRMIST KTR. I am curious and committed with a deep appreciation for architecture that has cultural and social context to its origin. My niche is sustainable architecture. I am keen to grow through hands-on experience and projects that engage with place, purpose and community

- Enscape

EDUCATION

- **Primary Education**
Loyola School, JSR, 2008-2013
- **Secondary Education**
Loyola School, JSR, 2014-2016
- **Higher Secondary Education**
Loyola School, JSR, 2017-2021
- **Bachelor of Architecture (in progress)**
SRM University, KTR, 2021-2026

PROJECTS

- **1st Year ('21-'22)**
Basic Design and Residential Design
- **2nd Year ('22-'23)**
School Design and Shopping Centre Design
- **3rd Year ('23-'24)**
Cultural Centre Design and Mall Design
- **4th Year ('24-'25)**
Cultural Centre Design and Mall Design
- **5th Year ('25-'26)**
Internship and Thesis on FI Stadium
- **Workshops**
 - Unrecycled Rubber Tires and Glass Bottles Reused in Architecture Workshop
 - Leewardist Workshop
 - International Summer Internship Program
 - Kinetic Facade Computational Workshop

CONCEPT

The Italian word Ondulante translates to "waves", hence our concept of free form and free space like a sea side.

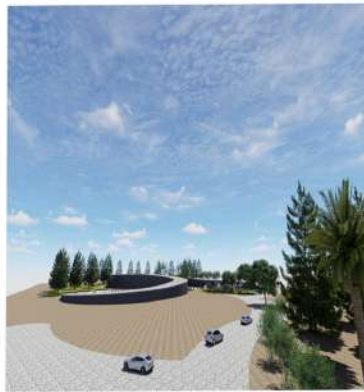

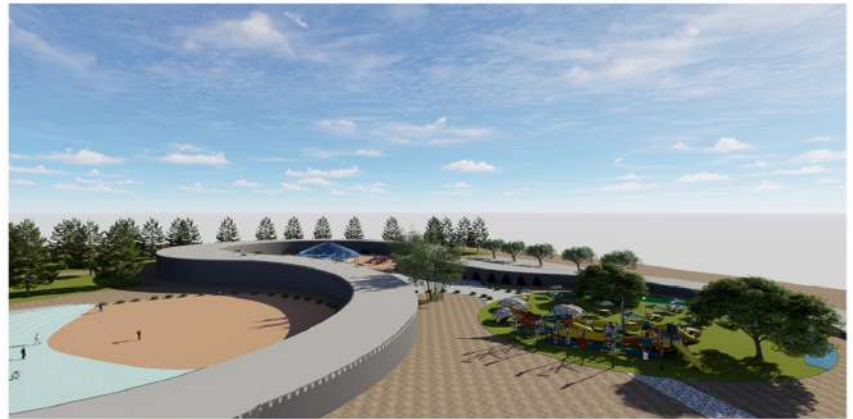

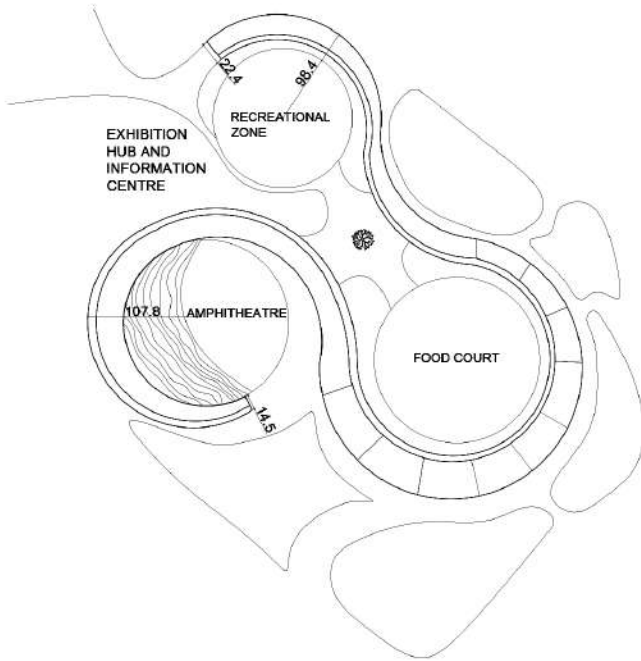

The idea began from infinity, a never ending journey of entertainment, food and leisure. The initial idea gave a feeling of being stuck in a loop, hence the broken out form surrounding all the spaces.

This concept of free flow and free space creates an atmosphere of connectivity and efficient networking of the entire market place.

Figure 1 is a detailed floor plan of a 100 m² apartment. The plan is rectangular, with a grid system labeled 1-4 horizontally and A-F vertically. The layout includes the following rooms and features:

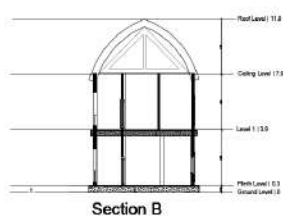

- Car Parking (10 sqm):** Located at the top left, adjacent to a wall with a height of 2.30m.
- Washing (5 sqm):** Located at the top right, with a height of 2.30m.
- Bath (5 sqm):** Located below the washing area, with a height of 2.30m.
- UP:** A staircase leading up, located in the center of the plan.
- Living Room (20 sqm):** Located in the center, with a height of 2.30m.
- Balcony (10 sqm):** Located to the right of the living room, with a height of 2.30m.
- Guest Bed Room (10 sqm):** Located below the living room, with a height of 2.30m.
- Wardrobe (4 sqm):** Located to the left of the guest bedroom, with a height of 2.30m.
- W.C. (5 sqm):** Located to the right of the wardrobe, with a height of 2.30m.
- Dining area (17 sqm):** Located below the guest bedroom, with a height of 2.30m.
- Kitchen (10 sqm):** Located at the bottom, with a height of 2.30m.

The plan is annotated with various dimensions and furniture placement. Key dimensions include:

- Overall width: 10.00m (divided into 2.30m, 5.30m, and 2.30m sections).
- Overall height: 10.00m (divided into 2.30m, 1.80m, 2.30m, 2.30m, 1.30m, and 0.00m sections).
- Room dimensions: Car Parking (2.30m x 4.30m), Washing (2.30m x 2.10m), Bath (2.30m x 2.10m), Living Room (4.30m x 4.60m), Balcony (2.30m x 4.30m), Guest Bed Room (4.30m x 2.30m), Wardrobe (2.30m x 1.70m), W.C. (2.30m x 2.10m), Dining area (3.30m x 5.10m), Kitchen (3.30m x 3.00m).
